

Year 2 Newsletter, Spring 2

English

Our new book is Major Glad, Major Dizzy. We will be learning how to use verbs in different tenses and expanding our punctuation. We will then be able to write our own diaries.

Geography

In Geography we are learning about what it is like to live by the coast. We will be looking at where our coastlines are located and the physical and human geography features that we will find there. We will be developing our skills using maps, atlases and compass directions.

Foundation Subjects

In DT we will be designing and creating our own felt puppets.

In Computers we will be developing our programming skills and using ScratchJr to create our own animation.

In Music we will be working with Stockport Music Service who will be delivering whole class instrumental tuition.

Maths

In maths we are learning about measurements and different units of measurement. We will be solving word problems using the correct units of measurement.

Religion

Here we will be learning about the importance of Mass; understanding what happens when we go to Mass. We will learn about the different parts of the Mass service and how we offer gifts to God.

Science

In science we are learning about world habitats. We will also learn about how animals adapt to their habitats and describe how animals get their food. We will also understand and construct food chains.

PSHE/RHE

Year 2 will be looking at the people who are special in our lives and thinking about how we should treat others. We will also be looking at what happens when people need to give or receive forgiveness.

In PE we will be learning gymnastics skills.
